SIXTEENTH NOTES

The quarter note can be divided into four sixteenth notes ($\text{♩} = \text{♩} \text{♩} \text{♩} \text{♩}$).

There are two sixteenths on the downbeat and two sixteenths on the upbeat. ($\text{♩} \text{♩} \text{♩} \text{♩}$)

FANFARE

A good way to count sixteenth notes is: 1 ta an ta 2 ta an ta 3 ta an ta 4 ta an ta
